Daniel Rich illustrates the current German print edition of LE MONDE diplomatique
12.06.2025

We are pleased to draw your attention to the current German-language print edition of LE MONDE diplomatique, which features a selection of works by Daniel Rich. An introductory article by Wilhelm Werthern accompanies the selection and offers readers an insight into the artist's work.

In each issue, LE MONDE diplomatique presents a contemporary artist with a curated selection of works. This offers readers a glimpse into how individual and societal processes are represented and explored beyond the realm of language.
